The Book of Haggai- After 70 years in captivity, Israel returned home and was suppose to rebuild the temple but got distracted. The foundation was laid but then construction was halted. The Lord sent the prophet Haggai to encourage the people to consider their ways and encourage them to be strong and work. Registrants will engage in the two chapters of this book and learn lessons of how today we can engage in ministry.

Tools needed: Bible (physical or App)

Instructor: Deacon Rossi Taylor

The Book of Haggai

Bait of Offense- Do you or someone you know often take things personal or "feel some kind of way" about a situation? Have you ever been betrayed or felt it? If you answered yes then you may have been offended. Luke 17:1 says, "it is impossible that no offenses should come". Our response to offense determines our future (John Bevere). Offenses have become major obstacles in many believers' lives. The only thing we should take personal is our relationship with Jesus Christ. The goal of this class is to help us walk in victory and maintain healthy relationships with others.

Tools needed: Bible and Book, by John Bevere. Registrants will get more details on book and interactive guide.

Instructor: Rev. Dr. Monica Lowe

Deadline to register of Bible Sampler is July 27th.
